that I have carefully examined
a private of Capt. Foster's Company
1st Regt., and find that he is incapable
of performing the duties of a Soldier because
of Rheumatism and the effects of an Amputation
in the right arm. The Rheumatism
has been years standing, which with his
beginning to stiffen his body and
seriously affect his activity.
He is lame in the arm, out, and so injured
the Flexor Digitorum Sublimis
muscle as to cause permanent
contracture of the two last fingers of the
right hand. This so cripples and restricts
action as to render difficult the
use of arms.

Mr Pearce is anxious

I be released from the Service and I think that he should be discharge by all means when he came into the Service he hired a man to take care of his stock and the conscript Law has taken him, and has left his Ranch without anyone to see after his stock, his Ranch is on the extreme frontier, I should dislike very much for the old man to loose all that he has when by remaining at Home he could be of more service to his country than by being in the army Mr Pearce is 49 years old and has two sons in the army besides, Capt your company has more men than you are entitled to I hope Capt if it is possible for you to get him discharge you will do so, for I think it nothing but Justice,

petition I suggest
that if any are per-
mitted that the entire
band be allowed to
go at the same time
as the band unless
all are present, are
not competent to
make a good band
they all live in the
same vicinity & as
there are a large
no of the regt absent
on detached service
after absences & in
charge of the horses

opinion will be the
most favorable time
to go home & I request
that the request
be granted.

Genl,

With painfull regret, and I compelled respect-
fully to beg leave to retire from the service
of the Confed. States and to be relieved of
my Command as Capt of Comp F. 32nd Regt.
T. C. now stationed at Liberty Texas, on account
of Disability, caused by severe Chronic Rheu-
matism, originally contracted some
16 Years ago in the field of Honor in Europe
and which has disabled me for duty more
or less ever since. I responded cheerfully
to my countries call, about 2 Years ago
to swell the ranks of its defenders, and
had the satisfaction, to add a full Company
of Cavalry to the Confeder. forces in Texas.
I fondly hoped, that my health would
permit me to be of service to our
country in its struggle for independence
rights, but soon found to my sorrow
that the exposure and fatigue attending
Camp and the March proved too much for
my shattered constitution, and I am at
present, totally unable to perform any
kind of military duty or even to move
about.

Under these circumstances it is my
painful duty, duty as well to myself
and family as to my country, my
superior Officers and my company

Chief of Staff
Sir:

I respectfully request
Thirty days furlough for Sergt. A. R. Scales
of Co "A", 32nd La. He was enlisted in the service of
the Confederate ^{States} on the 22nd day of March 1862
~~at the plantation of the late Mr. Scales~~ in this month in July
1863 He was sent to the neighborhood of
his home to assist in carrying the horses,
belonging to his company he remained at
home there with permission three days. After
the Regt. returned from Brownsville last
June he was sent home to procure a
horse for use when he was permitted to remain
home five days. He has ^{had} furlough of ten
days since he has been in the service. He has
been upon no detached service except the two cases
mentioned. He has not been upon sick leave nor has
he been absent without leave. I have thirty five men
present for duty, eight on daily duty, ten sick; making fifty
three in camp. There is fifteen on detached service in
the command of Capt J. E. Stevens in search of deserters.
I am expecting to return every day. Sixteen in charge
of company horses. Thirteen sick at Hospital at Angelis Plantation
nothing in all ninety-three the strength of the company
have none absent ^{without} leave. I make this application
as the Sergeant is an old man beyond the age
of conscription and is a good and faithful Non-
commissioned Officer. He lives about one hundred
miles from here.

Very Respectfully &c

Lewis Thacker
Capt Comdg Co. C.S.A.

I do hereby certify that I have carefully
examined Wiley R. Schner of Captain
Thacker's Company 1st Regt Texas Cavalry
and find from the appearance
of syphilis that he is unable to perform
the duties of a Soldier.

I further give it as my opinion that three
or more months must elapse before he can
perform the duties required of him as a
Soldier, although a cure may be effected in
that time by change of diet & place & he
he can be more carefully treated by me
as a post or General Hospital.

Witness my hand & seal
